Fjord Cruise Mostraumen

Join us on a 3-3,5 hours fjord cruise through beautiful fjord landscapes to the narrow Mostraumen straits, where boats are just able to pass through!

Sailing out from the city center gives us a great view of Bryggen in Bergen, which is on UNESCO's World Heritage List. From there, we sail through magnificent scenery in the Osterfjord towards Modalen, Norway's second smallest municipality. The crew takes us safely through powerful currents of the shallow and narrow Mostraumen straits, and the further into the fjord we venture, the steeper and more powerful the mountain landscape becomes. We pass several waterfalls along the way, and the captain will steer the boat so close to one of them that you risk feeling its refreshing spray on your face!

Our comfortable, modern boats are large and spacious, with plenty of space both outside and inside. The kiosk on board offers fresh and tempting treats from our local bakery, snacks and cold/hot drinks.

Departure point:

Zacharriasbryggen near Bergen's famous fish market.

Please meet up 20 minutes before departure.

Sit back, relax and enjoy the stunning view.

Bon voyage!
